*“Brach is not a hotel, but a unique, cultural living space where poetic mysteries and thought-provoking surprises feed the imagination. Sensual and rigorous, minimal and unconventional, Brach is reigned by a crude and modernist romanticism, warmed by multicultural influences from Africa, Asia and South America. It is an unusual place that invites guests on a journey of exploration.” Philippe Starck*

### PARISIAN, COSMOPOLITAN, SPORTING

Brach is the first Evok hotel offering a casual lifestyle. Located in Paris 16<sup>th</sup> arrondissement, Brach is a unique and luxurious place. Brach offers an immersive and inspiring experience for visitors discovering the French capital, and a new vision of neighbourhood life for locals and regulars.

Deployed across all eight floors of this glass structure house, Brach offer plant-covered public and privates terraces (some of them opening with breathtaking views on Paris). The roof of Brach is also transformed into an urban vegetable garden, with henhouse and offer a 360° panorama on Paris.
